

The Stockton Portsmen Chorus

strive to provide the greater Stockton area with quality barbershop chorus and quartet music and wholesome family entertainment, while encouraging every individual who loves to sing the opportunity to find their place with us. Our commitment to that mission is reflected by our diverse repertoire of performances at community festivals, corporate functions, charity fundraisers, educational workshops, sporting events, and holiday celebrations, including the beloved "Singing Valentines." Furthermore, we actively contribute to the barbershop music community by participating in conventions and competitions, to foster support for the art form's growth and development.

Ahead of our time in inclusivity, the Portsmen embraced women singers long before the BHS implemented the "Everyone In Harmony" initiative. This progressive stance not only broadened our membership but also reinvigorated our competitive spirit, culminating in our recent achievement becoming the **2024 Far Western District-NorCal East Division Chorus Champions.**

We welcome singers of all backgrounds who share their passion for preserving this cherished American art form and invite you to join in the camaraderie and fun.

Everyone Is ALWAYS Welcome!!!

After our chorus rehearsal, some of the chorus members form quartets and sing just for the fun of it. We encourage you to be part of this unique singing experience. You may be surprised how well you'll do!

**Once you've sung four part harmony ...
you'll be hooked for life!**

Meet Our Performers

Every once in a while, a quartet comes along that doesn't just sing beautifully—they leave a mark on the barbershop world.

As a Top Ten International quartet, **Artistic License** has wowed audiences around the world with their precision, artistry, and heart. We're incredibly honored—and a little emotional—to welcome them to our stage for what will be one of their final performances together.

This is more than just a set. It's a swan song. A celebration of years of harmony, brotherhood, and excellence.
